

Dear Artist,

The **Laura Art Exhibition** is again imminent and entries for 2023 are now open.

For over 40 years this exhibition was held in conjunction with the annual Laura Fair which means that we have a huge potential audience. However, despite the cancellation of the fair for three years we ran the exhibition as a 'standalone' event.

But HOORAY, the Laura Fair is back again this year on the first weekend of April as usual.

Entry fees of only \$5 per work make this an affordable exhibition for artists.

The ambience of the Courthouse Gallery endears it to both exhibiting artists and the viewing public. The Barbara Kleinig Junior Art Award is a favourite of many who recognize our contribution to fostering the development of art among the younger generation.

The reputation of this long-running exhibition (since 1978) means that this is one exhibition of which you should be part, whether as a new artist, or as one of our loyal regular exhibitors.

And again, the exhibition is in conjunction with the revamped Laura Fair, ensuring many patrons.

We look forward to receiving your entries.
